

Item No	Photo	Product description
ZL11		<ol style="list-style-type: none"> <li>1. Make coffee, Independent hot water, steam</li> <li>2. LED adjustable steam boiler temperature/LED adjustable pre-soak function (Time/volume of water)</li> <li>3. LED adjustable coffee brewing volume/LED adjustable boiling pressure/External water</li> <li>4. Anti-hot steam pipe</li> <li>5. 58mm stainless steel professional handle/4 hole steam nozzle</li> <li>6. VDE valve/FOT rotatory pump/GICAR flowmeter</li> <li>7. 3 separate boilers (10L stainless steel boiler and 2x1L automatic separate boiler system)</li> <li>8. Thermostatic device for brewing head</li> <li>9. All copper pipping</li> <li>10. Overheat and overvoltage protection</li> <li>11. PID precise temperature control</li> <li>12. Accessories package: Single and double cup handle/milk frothing pitcher/press hammer</li> </ol> <p>N.W./G.W.: 70KG/110KG Size: 880*680*480mm</p>
